Contract Pricing:

Pricing will be based on the total number of units per order. Each individual order will then be charged based on the prices listed above. This pricing is for garments in which the ink color is darker than the garment. If any of the ink colors are lighter than the garment-color we will add an additional color to print an under base for opaque color.

Additional Charges:

Screen Charge: \$15 per imprint color
Design Charge: \$45/hour
Individual Fold: \$0.10 per unit
Individual Fold and Bag: \$0.25 per unit
Shipping: \$30/case (72 units)
PMS Color Match: \$20/color
Additional print charges may occur on specialty items.

Art Submission:

We require vector-based graphics. This can include .AI, .EPS, or .PDF file types.

Production Time:

Typical turn-around time will be 5-10 business days after 100% of the invoice deposit is paid.

Spoilage and Damage:

In accordance with industry standards, Turning Leaf is not responsible for reprinting garments within 2% margin of error per order. If garments are lost to spoilage the client will be reimbursed for those items if those items that are spoiled constitute less than 2 % of the order. If the spoilage is greater than 2% we will reprint those garments. We do require spoiled items to be returned. The reprint will be processed as a back-order and will be put in queue for production when we have availability.

How to order:
